

AVIN GOSTAR TRADING

Date :

No :

Dear Sir, Dear Madam

Calcium Nitrate Liquid is a pure and highly concentrated liquid Calcium fertilizer, free of Ammonium which makes it ideal for soilless cultivation. This product is a transparent, stable solution and is recommended as of early spring until fruit setting and during fruit development.

Allow us herewith to introduce our activity as a Trading that supply and export Sodium Silicates that made in Iranian chemical factories. If that is possible and parallel of trade situation in our country, we can supply and provide Liquid Sodium Silicate and Solid Sodium Silicate and export this to your country with best quality and best price.

With this letter, we would like to offer our best selling items and all kind of products that made with global standards in different factories in Iran.

We supply all the products will meet your requirements and we shall be very pleased to have your inquiry and valuable order in due time.

In case you need any further information, please do not hesitate to contact us.

Sincerely yours

Maziar Doostikhah
